Re: *In the Matter of Revision of the Commission's Rules to Ensure Compatibility with Enhanced 911 Emergency Calling Systems*; CC Docket No. 94-102

Response to Thomas Sugrue, Chief, Wireless Telecommunications Bureau, Letter to Gary Lytle, Vice President-Policy and Law, Qwest Communications, dated July 29, 2002

Dear Ms. Dortch:

On August 28, 2002 Qwest Communications filed its response to the Sugrue Letter referenced above via the FCC's ECFS. The Attachment, consisting of two worksheets, was provided in Excel spreadsheet format. Apparently, due to a limitation of ECFS unknown to Qwest prior to the filing of the Excel spreadsheet, the second worksheet did not appear to be filed when the Attachment was viewed on the FCC's electronic website. Although the cover letter and Attachment were correctly filed by Qwest on August 28, 2002 (including the second worksheet), with a confirmation number of 2002828123583, when the Attachment was subsequently converted into PDF format by the FCC's ECFS personnel only the first worksheet of the Attachment was PDF'd, the second worksheet was not. Attached to this letter is the second worksheet of the Attachment, submitted again, now as a separate file, to be associated with the above-mentioned confirmation number 2002828123583.

If you have any questions about the submission, please contact me at the contact information identified above.

Sincerely,

/s/

Kathryn Marie Krause
